Truman members travel to Capitol Hill for Hill Event

2:30 - 4:00pm

Screening of the AGE OF CONSEQUENCES

The film investigates the impacts of climate change on increased resource scarcity, migration, and conflict through the lens of US national security and global stability. Whether a long-term vulnerability or sudden shock, the film unpacks how water and food shortages, drought, extreme weather, and sea-level rise function as 'accelerants of instability' and 'catalysts for conflict' in volatile regions of the world.

Location: Junior Ballroom (Salon 1)
